

# What have you done for justice today?

In America, you can *hope* for justice, or *expect* justice, or *assume* that justice will occur. Or you can get *involved* to help ensure that justice truly happens.

Justice occurs only when crime victims and survivors are informed of their rights, involved in criminal and juvenile justice processes, and offered supportive services to help them cope with the aftermath of crime.

Answer the call to *justice* for *all*. Volunteer for crime victims.
